

# ULTIMATE CARER'S PANT

YOU'VE NEVER FELT  
SO COMFORTABLE  
AT WORK...

Our range of carer's pants set a new benchmark for off-the-shelf uniform solutions today.

Carer's always look professional with durable fabric which shows no signs of wear and tear, styles that don't lose shape and colours which do not fade. These lightweight pants are the most comfortable and easiest to care for pants on the market! And they're quick drying too!

Pair the ultimate carer's pant with your program's existing tunic, scrub top, polo or shirt. Maintain consistency in your lower garments whilst setting distinction between job roles and departments through colour and the selection of accompanying tops.

Here is the solution to satisfy the size and comfort preference challenges of large groups.

With a lifespan significantly longer than traditional poly viscose trousers, your staff will be more comfortable and your budget will be under less pressure.
